## Cappuccino

Cappuccino – Made with an equal amount of espresso, milk and foam. You can make cute shortened versions of this name, too (Cappy, Cino etc.) Espresso.

## White flat

A flat white also originates from New Zealand and Australia and is very similar to a cappuccino but lacks the foam layer and chocolate powder. To keep the drink.

## Iced coffee

Iced coffees become very popular in the summertime in the United States. The recipes do have some variance, with some locations choosing to interchange milk.
